Completed my intermediate with 359/500 Marks

X (Secondary) | UP Board

MB Inter College 2020
Completed my High-School with 398/600 Marks

Work Experience

Web Development Internship

Web Development Workshop Participant | AADI Foundation
Completed intensive training on HTML, CSS, JavaScript, and MySQL.
Created and implemented a web project as part of the training, showcasing problem-solving and technical skills.

Projects:

Portfolio Website

Built a responsive portfolio website using HTML, CSS, JavaScript, Node.js, and MySQL.
Showcased various projects and technical skills to demonstrate web development expertise.

Chat App with Inbuilt AI Assistant

Developed a real-time chat application using the MERN stack (MongoDB, Express.js, React.js, Node.js) integrated with Gemini AI API. Enabled users to chat with one another while interacting with a built-in AI assistant for instant replies, FAQs, and conversational support. Focused on seamless real-time communication, responsive frontend UI, and intelligent AI interaction to enhance user experience.

Tic-Tac-Toe Game

Built an interactive browser-based Tic-Tac-Toe game using HTML, CSS, and JavaScript.
Demonstrated logic building and frontend development skills.
